

**TRAVEL
SOFTBALL & BASEBALL**

2022 Spring/Fall Seasons

Dear Sponsors,

We are entering our 4th year as a non-profit organization and our 6th year as a Travel Ball organization. It has been exciting to watch the girls grow both on and off the field. Now we are happy to announce that in our growth we are now adding 2 more baseball teams and we have 9 softball teams with the potential to have 10 if the number work after try-outs.

The expense of doing travel ball is not for the faint of heart. The organization has done well keep cost to a minimum for our families and would like to continue but as we grow so do costs. But we also need a few larger practice sites. We have been blessed to get a park partnership with North Brevard Parks and Recreations at Chain of Lakes and we have secondary park partnership with both the Central and South Park's and recreations here in Brevard.

We now need the community support to help us raise money to do improvements at our pitching wall and purchase equipment so that the teams have what they need to practice. Our players/families will be selling banner sponsorships that are good for 1 year (Jan/Dec). We will place the orders as we receive the payments and get them hung in the designated area. This is a tax deductible sponsorship.

Thank You

Space Coast Titans Board of Directors
